BUREAU OF BUDGET AND MANAGEMENT RESEARCH
COMMENTS ON BILL NO. 383-38 (LS)

The proposed legislation intends to expand youth voter engagement by offering more options for voter registration and pre-registration through the repeal and reenactment § 3106 of Chapter 3, Title 3 of the Guam Code Annotated relative to implementing automatic voter registration and pre-registration in all public high schools, charter high schools, the Guam Community College (GCC), and the University of Guam (UOG). In its current form, § 3106 of Chapter 3, 3GCA already lists public high schools, GCC, and UOG as designated places of registration for electors, with private high schools having the option to participate. The proposed legislation seeks to include charter schools in this initiative and expands the provisions of § 3106 of Chapter 3, 3GCA to ensure that every eligible student is provided with the opportunity to register or pre-register to vote.

Although the proposed legislation is primarily administrative in nature, the mandate for the Guam Election Commission (GEC) to promulgate rules and regulations for its implementation may pose an administrative fiscal impact. The provision for all participating institutions to maintain a sufficient supply of paper or electronic voter registration forms, and appropriate equipment for processing forms may also have a fiscal impact on these institutions. Absent correspondence from the GEC relative to the estimated fiscal impact of the proposed expansion of § 3106 of Chapter 3, 3GCA, the Bureau is unable to determine the full fiscal impact at this time.
