Comments:

1/ According to comments received on Bill 386-38 (LS), the Unified Judiciary of Guam notes that the bill is administrative in nature and there is no anticipated fiscal impact to the branch at this time. However, the Bureau is of the opinion that there will be a potential impact to the Department of Corrections relative to incarceration-specific costs, such as the cost of meals, healthcare, clothing, and other associated costs and services for imposing longer terms for imprisonment.
