Guåhan finds that Guam’s mayors, vice mayors, and municipal staff members play
a vital role in addressing community needs, resolving issues, and supporting
residents. Their dedication and service are essential to fostering a safe, prosperous,
and united community across all 19 village municipalities on the island of Guam.

I Liheslatura further finds that these mayors, vice
mayors, and municipal staff members lead with initiatives focused on
beautification, cleanliness, and overall enhancement of their villages. These efforts
ensure that all public spaces are well-maintained, accessible, and inviting for
residents and visitors alike.

1 *I Liheslatura* finds that these community leaders are
2 always ready to answer the call when challenges and needs arise within their
3 villages. Whether responding to natural disasters, concerns, or everyday issues
4 faced by residents, they demonstrate unwavering commitment and resilience in
5 serving the people of Guam. Their willingness to step up during times of crisis
6 exemplifies the true spirit of public service and community leadership.

7 Therefore, it is the intent of the *I Liheslatura* to
8 recognize the village mayors, vice mayors, and municipal staff members on
9 October 20 of each year as a day of recognition. Through this recognition, the
