VEHICULAR HOMICIDE WHILE DRIVING IMPAIRED.**

**BE IT ENACTED BY THE YOUTH OF GUAM:**

**Section 1. Legislative Intent and Purpose.** *I Liheslaturan*

*Guåhan* finds that people of Guam deserve safer roads and measures for preventable tragedies caused by negligent and impaired driving. The rise in incidents of vehicular homicide, especially those involving alcohol or substance-impaired drivers, demand a strong legislative response to deter reckless behavior, hold those who choose to disregard our laws surrounding the promotion of safer roads accountable and undermine the seriousness with which our community holds for the sanctity of human life and public safety.

*I Liheslaturan Guåhan* intends to enhance the penalties for vehicular homicide, whether resulting from careless driving impaired driving, or repeat offenses, by increasing fines, extending license revocation periods, and

1 imposing longer terms of incarceration, ensuring that the punishment will match the  
2 seriousness of the harm inflicted upon the community.

3 *I Liheslaturan Guåhan* intends to deter potential offenders by  
4 raising the monetary and legal costs of driving dangerously or under the influence,  
5 making the prospect of vehicular homicide far less likely.

6 *I Liheslaturan Guåhan* intends to promote public awareness about  
7 the increase in fatal crashes and impaired driving incidents on Guam, encouraging  
8 more responsible and conscious driving habits among all motorists.

9 *I Liheslaturan Guåhan* intends to affirm the Government of  
10 Guam's commitment to justice for crime victims and their families, as well as deter  
11 future tragedies through effective, predictable, and meaningful enforcement of  
12 traffic safety laws.

13 *I Liheslaturan Guåhan* intends to support the broader goal of  
14 reducing traffic fatalities and serious injuries on Guam's roads, improving public  
15 safety, and persevering and protecting the hardworking families of the island from  
16 the fear of reckless and negligent driving which leads to vehicular homicide.
