**Bureau of Budget & Management Research**  
**Comments on Bill No. 75-38 (COR)**

Bill No. 75-38 proposes to exempt non-resident active-duty service members and their dependents from driver's license requirements.

Information was obtained from the reported revenues generated from all driver's licenses issued, as part of the Guam Highway Fund (GHF), during the past five (5) fiscal years from FY20 through FY24, see below:

**Driver's Licenses**  
**Revenues**

<b>Fiscal Years</b>	<b>Revenues</b>
FY2020	\$612,151
FY2021	\$704,404
FY2022	\$1,106,498
FY2023	\$958,872
FY2024	\$926,124

It should be noted that the above information indicates the total revenues generated from the issuance of Guam driver's licenses by the DRT, as there currently isn't a specific revenue category relative to driver's licenses for active-duty service members and their dependents. The exemption of Guam driver's licenses for this demographic may have the potential to reduce GHF revenues upon enactment of this legislation. However, absent revenue amounts generated from driver's licenses issued specifically to active-duty service members and their dependents, as well as comment from the DRT whether the passage of the Bill would fiscally impact the department's current operations, the Bureau is unable to ascertain the fiscal impact of this proposed legislation.
