Hafa Adai, Vice Speaker Ada:

The Bureau requests that Bill No. 352-38 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 352-38 (COR) is an act to add a new Subsection 3 to § 4101(c), Chapter 4, Title 4 Guam Code Annotated relative to Higher Education Cultural Teachers and Practitioners for the University of Guam (UOG)

I Liheslaturan Guåhan finds that while many individuals possess expertise in various CHamoru cultural practices, many do not meet the minimum academic credentials required by the University or the Government of Guam for hiring at the rank of Assistant Instructor or Instructor. The University has worked diligently to establish guidelines and procedures to employ instructors to teach special courses that will expand the knowledge and skills needed to advance the specialty practices of the island's culture and heritage.

As the proposed legislation seeks to set the minimum qualifications, as established and adopted by UOG, required to teach as a cultural teacher or practitioner, the Bureau finds that the Bill, as currently written, is administrative in nature and poses no immediate fiscal impact upon any funds of the Government of Guam.
