WHEREAS, it is the intention of the Parties that Contractor be deemed an independent contractor, *not* an employee and, therefore, *not* entitled to any benefits otherwise available to employees of the government of Guam; and

WHEREAS, it is the intention of the Parties that Contractor *not* be entitled to payment for any services rendered until such time as all signatures are affixed to this Agreement.

NOW, THEREFORE, the Parties agree to the terms and conditions as set forth below.

together with all modules, interfaces, datasets, indexes, workflows, documentation, updates, patches, and enhancements provided by TRST-GUAM, LLC. under this Agreement.

b. **“Authorized Users”** means:

i. the Senators of the 38th Guam Legislature;

ii. their duly appointed Senator staff, including chiefs of staff and policy personnel, whose access to TalleyrandAI and the drafting function is allocated in accordance with Section 1(ii)(d);

iii. the Clerk of the Legislature; and

iv. the Clerk staff, including deputy clerks, legislative clerks, and such other Clerk’s Office personnel as the Legislature designates from time to time for access to the Platform in accordance with Section 1(ii)(a).

c. **“Service Month”** means a calendar month during which the Legislature holds a retail subscription license under this Agreement, commencing on the first (1st) day of such month and ending on the last day of such month.

- d. **“Legislative Work Product”** means drafts, bills, collaborations, reports, and other legislative documents, data, and outputs created by Authorized Users through the Platform.
 - e. **“License Fees”** means, collectively, the Initial Payment, each Monthly License Fee, and any additional write-privileged seat fees, in each case as due and payable under this Agreement.
- (ii) Contractor, acting in its capacity as the exclusive licensor of the Platform within the Territory of Guam, hereby grants to the Legislature a non-exclusive, non-transferable, non-sublicensable, revocable, retail subscription license, for the period established in this Agreement, payable on a month-to-month basis, to access and use the Platform solely for the Legislature’s legislative purposes, including research, drafting, review, verification, transmission, and management of legislation and related Legislative Work Product.
- a. **Scope of Use; Authorized Users.** The license granted hereunder permits access and full utilization of the Platform by the Authorized Users described in Section 1(i)(b) of this Agreement, through such credentials, devices, and sessions as TRST-GUAM, LLC. approves, subject to the role-based access, single-device session enforcement, and multi-tenancy isolation controls.
 - b. **Reservation of Rights.** All rights not expressly granted to the Legislature in this Agreement are reserved. Nothing in this Agreement shall be construed as a sale, assignment, or transfer of ownership of the Platform, any underlying models, indexes, datasets, source code, trademarks, or any associated intellectual property rights, all of which shall remain the property of the

applicable rights holder(s), subject to TRST-GUAM, LLC.'s exclusive licensing authority within the Territory of Guam.

c. **Use Restrictions.** The Legislature shall not, and shall not permit any Authorized User or third party to:

- i. copy, modify, translate, reverse engineer, decompile, or disassemble the Platform, except to the extent expressly permitted by applicable law;
- ii. sublicense, rent, lease, loan, sell, or otherwise transfer the Platform or any access thereto to any third party;
- iii. use the Platform to develop a competing product or service;
- iv. remove or alter any proprietary notices, labels, or marks on or in the Platform; or
- v. use the Platform in any manner inconsistent with this Agreement or applicable law.

d. **Senator Office Access Tiers for TalleyrandAI.** Within each Senator's office, access privileges to TalleyrandAI and the bill-drafting function shall be allocated as follows:

- i. **Write Access.** The Senator, together with one (1) designated staff member of the Senator's office, shall have write access to TalleyrandAI, including the authority to initiate, originate, modify, collaborate and finalize drafts of legislation and related Legislative Work Product through the Artificial Intelligence drafting function.
- ii. **Read Access.** All other staff of such Senator's office may be granted, at the sole discretion of the Senator, read access to TalleyrandAI, enabling

them to view and collaborate on drafts created by the write-privileged users of their respective office, but not to originate, modify, or advance drafts.

- iii. **Designation and Changes.** Each Senator may designate, re-designate, or revoke the designation of the one (1) write-privileged staff member, and may grant or revoke read access for any other staff member of the Senator's office, from time to time directly within the Platform using the Senator's own login credentials, without the need for notice to, or action by, TRST-GUAM, LLC.. All such changes shall take effect upon the Senator's confirmation within the Platform.
- iv. **Additional Write-Privileged Seats.** A Senator may add additional members with write access to TalleyrandAI beyond the one (1) designated staff member provided under Section 1(ii)(d)(i), at a rate of One Thousand Five Hundred Dollars (\$1,500.00) per additional write-privileged seat per month. Such additional fees shall be payable from the office budget of the particular Senator seeking the additional write-privileged seat(s) and shall be contracted, invoiced and collected pursuant to terms and conditions enumerated in separate agreements.
- v. **Scope of Office; Co-Sponsorship.** The tiers established apply on a per-office basis, such that read-access users of a given Senator's office may view and collaborate on drafts within that office only. Inter-office collaboration shall occur exclusively through the Platform's co-

sponsorship invitation and shared-bill workflows, subject to role-based access controls as established within the collaboration feature.

(iii) **Initial Service Months (April 1 – May 31, 2026).** During the initial Service Months, TRST-GUAM, LLC. shall perform or cause to be performed the following activities:

- a. Activation and provisioning of Platform accounts for Authorized Users;
- b. System calibration, including configuration of role-based access for Senators, the Clerk of the Legislature, and relevant Senator and Clerk training for Senator and Clerk staff access;

- d. User training and onboarding sessions covering:
 - i. TalleyrandAI bill drafting, dashboard navigation, co-sponsorship, collaboration, and direct clerk transmission for Senators and Senator designated staff, and;
 - ii. RennaeAI compliance review, vision-based formatting analysis, bulk bill processing, report generation, and dashboard navigation for the Clerk of the Legislature and Clerk designated staff; and
 - iii. Provision of user documentation and initial support materials to enable full utilization of the Platform.

(iv) **Subsequent Service Months.** During each Service Month commencing June 1, 2026 to September 30, 2026, TRST-GUAM, LLC. shall make the Platform

available to the Legislature for retail licensure and full system utilization, subject to role-based access, as follows:

- a. **TalleyrandAI** shall be made available to Senators and Senator staff for conversational bill drafting inclusive of scholarly and 50-state research, multi-user collaboration, co-sponsorship invitations, and direct transmission to the Clerk, with write- and read-access tiers allocated per Senator office in accordance with Section 1(ii)(d); and
 - b. **RennaeAI** shall be made available to the Clerk of the Legislature, users so designated by the Clerk, and Clerk staff for AI-powered bill verification, vision-based compliance and formatting analysis, simultaneous bulk processing of bills, issue triage, report generation, and bill introduction workflow.
- (v) **Updates.** TRST-GUAM, LLC. shall ensure Platform updates on an ongoing basis, including refreshes of the scholarly and 50-state legislative databases and the incorporation of updates to the GCA, Public Laws, and GARR, at no additional cost to the Legislature during any Service Month for which a License Fee has been paid.
- (vi) **Support.** TRST-GUAM, LLC. shall provide Platform technical and user support to the Authorized Users during ordinary business hours (Chamorro Standard Time), with 24/7 availability of the Platform itself, subject to scheduled maintenance windows, Platform Application Program Interface operability, and force majeure.
