Fiscal Year 2024 Citizen Centric Report

IN THIS ISSUE:

About Us	1
Our Performance	2
Our Financial Report	3
Economic Indicators	4

ABOUT GDOL:

As mandated by Public Law 9-238, Title XLVI Chapter 1, Section 48052, the Guam Department of Labor's purpose shall be "To foster, promote and develop the welfare of the wage earners of Guam, to improve their working and living conditions and also to advance their opportunities for occupational training and profitable employment."

EMPLOYMENT & TRAINING: The Department provides employment assistance, labor market information, and job training through the administration of the following programs: Adult, Dislocated Worker and Youth Programs; services for targeted populations authorized by the Workforce Innovation and Opportunity Act (WIOA), Employment Services authorized under the Wagner-Peyser Act; Foreign Labor Certification activities authorized by the Immigration and Nationality Act; the Senior Community Service Employment Program authorized by the Older American Act; Apprenticeship programs authorized by the National Apprenticeship Act, Job Corps Services through a Cooperative Agreement with the Hawaii Job Corps Center and Veterans Employment and Training Services through the Jobs for Veterans State Grants. The Workforce Innovation and Opportunity Act (WIOA) presents opportunities to improve job and career options for our nation's workers and jobseekers through an integrated, job-driven public workforce system that links diverse talent to businesses. WIOA consists of a nationwide system of one-stop centers, which directly provide an array of employment services and connect customers to work-related training and education.

REGULATORY & COMPLIANCE (Worker Protection): The Department's mission is to assure that every working man and woman in the workplace has safe and healthful working conditions. Our Division of Occupational Safety and Health (DOSH), the OSHA Onsite Consultation Program (a cooperative agreement with USDOL) and the Workers Compensation division, are to ensure the safety and health of Guam's workers by setting and enforcing workplace safety and health standards; delivering effective enforcement; providing training, outreach and education; and encouraging continual improvement in workplace safety and health. Through these efforts, our safety division aims to reduce the number of worker illnesses, injuries, and fatalities. The Wage and Hour Division is responsible for administering and enforcing a number of laws that establish the minimum standards for wages and working conditions on the island. The Fair Labor Standards Act (FLSA) minimum wage provisions and the prevailing wage laws provide a floor for the payment of fair wages, while the FLSA overtime provisions are intended to broaden work opportunities and promote employment. Our Alien Labor Division oversees the employment of H2B workers in Guam and monitor employers of such workers.

Statistics: The Bureau of Labor Statistics (BLS) produces relevant statistics reflecting labor market activity and working conditions. Statistics and an Annual Economic Outlook report produced by BLS support the formulation of economic and social policy by providing data for analysis and decision-making. Visit: bls.guam.gov
