Work with with women, children, and families of Domestic Violence. In addition, work with individuals suffering from other personal and social adjustment issues. In addition help clients with issues concerning grief, anxiety and/or depression. Conducting therapeutic work through group and individual counseling for these individuals and families.

Through interviewing and intervention techniques. I work to develop treatment plans for these individuals and families. Currently working as a private practitioner as an IMFT, LPC, and LMHC provider covered by all health insurances (except Tri-Care) and self-paying clients in need of therapeutic services.

August 2007 - June 2015 American Dialysis Center/Tumon Kidney Center/U.S. Renal Care
Renal Social Worker

Address: US Renal Care
1406 N. Marine Corps Dr. Ste A. Upper Tumon Guam 96913

Assigned to dialysis unit in conducting psycho-social assessments for each patient receiving treatment at the dialysis unit. I provided initial and comprehensive psycho-social assessments and reported findings of these patients as mandated by Medicare Standards for ESRD patients.

Completed Care Plans within 30 days of admissions for patients. Options of treatment of ESRD reviewed with patient. Liaison with the Physician to provide all necessary information regarding modalities to the patient.

Responsible for making entries into the patient's medical record in accordance with the requirements established by the Medicare Conditions of Coverage.

Conducted Patient Satisfaction surveys at least annually and Quality of Life surveys as appropriate and reports findings to the Quality Improvement Committee.

Served as an active member of the facility Continuous Quality Improvement Committee.

Established contact with outside agencies as appropriate and is knowledgeable

concerning the services of: The National Kidney Foundation, American Association of Kidney Patients, American Kidney Fund, and other related ESRD groups.

Worked with the families receiving treatment at the American Dialysis Center through providing counseling when needed and educational materials to help them understand the effects of receiving such treatment.

Reason for Leaving: Seek other opportunities

**September 2008 to September 2010: Guam Memorial Hospital Authority
(GMHA) MSW Hemodialysis Consultant**

Address:

Guam Memorial Hospital
850 Governor Carlos G. Camacho Rd.
Tamuning, Guam 96913

Reviewed and concurred with psychosocial assessments completed by the GMHA Hemodialysis social worker and as needed, conducted psychosocial assessments and provided education and addressed the needs of End Stage Renal Disease (ESRD) patients who are admitted to the ESRD program of GMHA.

Participated in a team review of patient's progress and recommends changes in treatment based on psychosocial needs.

Participated as a professional team member in the development and review of patient's long-term and short-term care plans.

Gave orientation and psychosocial factors of hemodialysis as well as on the different modalities and treatment regimens to potential candidates and new patients and their families to helping them understand what to expect about their illness and what their treatment will be.

Provided casework and group work services to patients and their families in dealing with special problems as it relates to their dialysis treatment.

Referred patients to the Department of Mental Health and Substance Abuse or to a private provider by recommending patient and significant other who needs individual or group psychotherapy as deemed necessary especially when problems affected or interfered with their treatment or as requested by the Hemodialysis Medical Director.

Identified community social agencies and other resources and assisted patients and their families to utilize them.

Monitored (as patients advocate) special social aids to help remove obstacles to dialysis treatment or defray extraordinary expenses for treatment.

Worked with patients and their families towards achieving and satisfying meaningful roles within family and society as they deal with their treatment.

Sought community help and communicated with employers to assist with re-employment and vocational rehabilitation of individuals on hemodialysis treatment who remain employable.

Conducted home visits to assess family and home situation of patients related to discharge planning arrangements as needed.

Participated in patients discharge planning coordination with physicians, nursing staff, utilization review coordinators and other healthcare.

Documented contacts, means of intervention, assessment of patients, goals and plans and other relevant information in patients' medical charts as required by GMHA policy and CMS regulations.

Coordinated work up for transplant patients and living relative-donor for their actual transfer to a renal institute.

Reason for Leaving: Work Task Completed

**November 2004 to October 2009: Family and Community Partnerships
Manager/Social Services Supervisor I**

Address:

**Guam Public School System, Guam Head Start Program. P.O. Box DE Agana,
Guam 96932**

Worked as a Family and Community Partnerships Manager for the Guam Head Start Program, responsible for overseeing the Social Services Unit consisting of Social Workers and Family Services Workers. In addition, was responsible for maintaining the provision of services to families and communities participating in the Guam Head Start Program.

Among the responsibilities I was tasked to do were the following: work closely with other program staff in the development, implementation, and participation in an interdisciplinary case management team approach to include physicians, teachers, social workers, counselor, nurses to assess the overall treatment plans for Head Start families as it relates to their overall function within the Guam Head Start Program. Worked with the health services unit for Head Start families as a participant in the HSAC (Health Services Advisory Council) to address health related issues that Head Start families may be experiencing.

Responsible for working with community partners in the development of resources for agency clients, including public/private services, job training/employment opportunities and child care. Worked to develop MOUs with public, private education institutions and other agencies that assist head start families in establishing partnerships in providing quality services.

Coordinated the recruitment of eligible children and families and the development of plans and strategies with the Social Services Staff for reaching out to families with special needs children.

Planned and coordinated and conduct workshops for staff and parents and was responsible for the completion of both the annual Agency Self-Assessment.

Worked with community agencies in providing resources in the health services such as Women, Infant and Children Program, community dental services, health education services, the chronic disease control program, counseling for HIV and other sexually transmitted disease, island-wide tuberculosis control program, island wide immunization services, medical social services, pharmacy services, radiology services, medical records management, island-wide Emergency Medical Services program, primary care/ambulatory medical care services, and Office of Vital Statistics and community assessment.

Served as a member in the PEACE counsel task force in assessing Guam's tobacco and drug usage on Island.

Served as an Acting Head Start Program Director in the absence of the Head Start Program Director.

June 1998 to November 2004: Social Services Supervisor I - Adult Protective Services,

Address:

Department of Public Health and Social Services
P.O. Box 2816, Agana, Guam 96932

Supervision:

In this capacity, I was responsible for planning, developing and administering the day-to-day operations for the Adult Protective Services (APS) Unit. I was also responsible for the following:

1. Supervision of staff to ensure compliance of P.L. 19-54 which mandate APS to provide protective services to elderly persons, age 60 years and above and adults who have a disability, age 18 and above and who have been abused, neglected, and/or exploited.

2. Provided staff with needed consultation and direction required for all cases in the APS Unit.
3. Reviewed, assign, and monitored cases referred to APS staff.
4. Prepared position descriptions, work plans within a certain time frame specified.

Reports and Correspondence:

1. Reviewed and prepared reports and correspondences relative to abuse and neglect; and issues pertaining to the Emergency Receiving Home(s).
2. Worked with Compliance and Monitoring Program (CMPU) Unit in monitoring the Emergency Receiving Home(s) to ensure Compliance of the contract between the vendor and the Division of Senior Citizens at the Department of Public Health and Social Services.
3. Completed surveys as directed by the Administrator.
4. Reviewed and prepared comments on proposed legislation for impact upon divisional operations and programs.
5. Assured that all intakes, assessments and service/treatment plans were developed and conducted with applicable social work principles and consistent with Federal and Local Laws and Regulations.
6. Assured that the determination of cases are made within (60) days.
7. Participated in training related to APS.
8. Coordinated the program practicum students within the agency as a practicum site.
9. Attended meetings pertaining to APS.

Reason for Leaving: To transfer to Head Start Program.

March 1993 - June 1998:

Social Services Supervisor I - Work Programs Section,

Address:

Guam Department of Public Health
123 Chalan Kareta Mangilao, Guam 96913

Supervision:

Was responsible for the planning, developing and administering the day-to-day operations for the Work Programs Section consisting of four programs: Job Opportunities and Basic Skills Program, Transitional Child Care Program, Child Care Development Block Grant Program, and the Guam Employment Training Program. In this capacity, I was responsible for the following:

1. Determination and guidance for the priorities of the Work Program Section in accordance with Federal and local guidelines, policies, and available resources.
2. Guided and gave direction to social workers in the assessment and referral process for the four programs.
3. Conducted Supervisory reviews on case actions and payment authorize.
4. Ensure corrective actions are taken on cases and problem areas identified through supervisory case reviews.
5. Periodically observe interviewing skills of workers, and recommend methods for improving skills.
6. Discussed problem areas with subordinates, and recommend corrective action plan to improve deficient areas.
7. Conducted staff meetings to apprise staff of policy changes and to discuss resolution of deficient areas. Interviewed potential work program section staff and recommended appropriate staff for the recruitment and hiring of Work Program Section personnel.
8. Followed up on time and attendance of staff.
9. Conduct training to newly hired staff and refresher training to subordinates.
10. Provided consultation and professional expertise in accordance to WPS policies and procedures, outreach activities, employment barriers for AFDC participant.

Administrative Tasks:

I was responsible in overseeing the case management activities and client monitoring functions of the four programs by continuing to do the following:

1. Evaluated the program operations to identify needed corrective actions.
2. Prepared action/work plans for the plans and objective of the section to the Bureau of Economic Security (BES) Administrator.
3. Reviewed policies as needed and request policy clarifications prior to policy

dissemination.

4. Continued to present policies and procedures as it relates to the WPS during public hearing sessions and employee training sessions.
5. Served as a member of various committees in collaborating with other agencies in establishing interagency agreements and memorandums of understanding in identifying community needs regarding barriers to employment such as health needs, transportation, and child care needs.
6. Oversaw the budget/financial preparation as it relates to the four programs.
7. Ensured that resources, supplies, equipment, staffing are available for the operation of the section to ensure that program objectives, goals and action plans were met.

Reason for Leaving: Opportunity to work elsewhere within Gov.Guam

August 1992 - March 1993: Social Worker III Jobs Opportunities and Basic Skills Training Program,

Address:

Guam Department of Public Health
123 Chalan Kareta Mangilao, Guam 96913

The following is a list of duties performed:

1. Interviewed potential JOBS clients to assess their employability potential and identified existing or potential barriers which impacted on the client's participation in the program.
2. Developed a employment plan with supportive services such as transportation, childcare and work related expenses that were provided.
3. Provided consultation and professional expertise in supportive counseling to both client and family members.
4. Coordinated and collaborated with identified professionals of other agencies and organizations in the provision of services in determining needs for both client and family members.
5. Conducted home or field visits to follow-up client's participation in the program, and ensured successful completion of activities identified in the employability plan.
6. Conducted conciliation activities to resolve non-cooperative behavior of client

before sanctions were imposed. Gave recommendation for sanction to AFDC Eligibility worker.

7. Provided status update of client's participation to the AFDC Worker.
8. Inputed data into computer terminals, and updated case status as needed.
9. Conducted outreach and orientation activities with regard to AFDC, JOBS, and Transitional Child Care Services.
10. Prepared and submitted monthly production reports.
11. Initiated direct payment processing for child care payment then forwarded to Supervisor.

Reason for Leaving: Promoted to Social Services Supervisor I

May 1991 – July 1991: Social Worker II Intern, Medical Social Services,

Address:

Guam Department of Public Health
