North Korea weightlifter sets 3 world records for Asian Games gold

AFP

North Korea's Ri Song Gum gave her country their first gold of the Asian Games on Wednesday in style, setting three world records in the women's 49kg class in Nagoya.

In the process she joined an elite club of just four weightlifters who have won three Asian Games gold medals.

Ri hauled 94kg above her head in the opening snatch discipline, one kilogramme more than the previous world standard mark of 93kg.

She then smashed the clean and jerk world mark of 115kg twice by hoisting 116kg and then 121kg.

Her total of 215kg obliterated the old world mark by 7kg.

India's Mirabai Chanu, the silver medallist at the Tokyo Olympics in 2021, finally won an Asian Games medal at the third time of asking.

She had a total of 198kg after a snatch of 87kg and clean and jerk of 111kg while Indonesia's Diana Tri Wijayana took bronze on 191kg, with 88kg and

103kg respectively.

Ri became only the fourth lifter, and first woman, to win three Asian Games weightlifting golds.

She joined Iran's Mohammad Nassiri (1966-74), South Korea's Kim Tae-hyun (1990-98) and Iran's Behdad Salimi (2010-2018) who all won three golds. No one has ever won four.

Paulino punched in the Cougars' first touchdown of the game, setting the tone for what would become a strong offensive performance.

The Cougars quickly added to their lead when Maya Torre intercepted a Career Tech pass and raced down the field for her first touchdown of the game.

Career Tech struggled to find its rhythm offensively, but Me-

nia Henry emerged as a standout, making several key defensive plays and disrupting passes intended for Academy receivers.

Academy's offense continued to roll as Molly Shae Dela Cruz found the end zone twice with two touchdowns. On the other side of the ball, the Cougars' defense kept the pressure on Career Tech, shutting down passing and rushing attempts.

Taysia Tui Tui delivered two big defensive plays with a pair of interceptions, helping Academy take a commanding 40-0 lead into halftime.

Career Tech came out determined in the second half and broke through when Henry scored the team's first touchdown of the game.

Academy, however, continued its offensive attack. Madison Atoigue added two touchdowns, while Kenadie Paulino also found the end zone.

The Cougars put the finishing touches on the historic victory when Maya Torre intercepted the ball late in the game. A successful two-point conversion helped seal Academy's 66-6 victory.

Congratulations to the Academy Cougars on earning their first vic-

tory of the inaugural season, and congratulations to Career Tech for being part of this historic opening weekend.

More importantly, the first weekend of competition represents the beginning of an exciting new opportunity for student-athletes to showcase their talent, teamwork and school spirit through high school flag football.

IIAAG and FFLA thank the coaches, parents, students, volunteers and supporters whose hard work and dedication helped make the launch of this inaugural season possible.

Super Bowl champion Seahawks their first loss of the

season, and snap Seattle's 12-game winning streak.

Seattle's loss came despite their own star quarterback Sam Darnold returning from injury to pass for 379

yards and four touchdowns, with two interceptions.

Mariota sent early touchdown passes Rachard White and Treyton Burks, before his 30-yard hurl to Terry McLaurin opened a 14-point advantage.

Seattle fought back to 24-24. But after a Commanders field goal, Darnold's pass was picked by Kain Medrano, a special teams player and backup linebacker, who raced 50 yards to make it 33-24.

Seahawks pulled back a touchdown but Washington held on.

"That was unbelievable ... the more that adversity hits, the more that circumstances pin us against the wall, these guys find a way," said Mariota.

Tight finishes

On a Sunday packed with tight finishes, Jahmyr Gibbs and the Detroit Lions saw off a spirited Jets fightback, winning 31-24.

New York's Garrett Wilson took a superb 4th down catch from Geno Smith that was ruled a touchdown on video review, tying the game 24-24.

But the joy was short-lived. Gibbs rushed for his third touchdown, Wilson departed injured, and Jets quarterback Smith was sacked on 4th down to snuff out any hope.

In the late game, the Denver Broncos recovered

PATRICK SMITH/TOWNNEWS.COM CONTENT EXCHANGE

Marcus Mariota completed three passing touchdowns and 183 yards for Commanders victory.

Pittsburgh bagged a late win against Cincinnati. Veteran Steelers quarterback Aaron Rodgers shook off recent offensive woes with three touchdowns.

The Bengals took a fourth-quarter lead, but two field goals and a late strip-sack of Joe Burrow sealed the Steelers win 30-27.

The Indianapolis Colts needed a 53-yard field goal with 21 seconds remaining to beat the Houston Texans 19-17.

Bills, Chiefs win

The Buffalo Bills defeated the winless Los Angeles Chargers 24-16, despite committing five turnovers.

The San Francisco 49ers never trailed the Arizona Cardinals in a 36-30 win featuring four touchdown passes from Brock Purdy and two endzone receptions for George Kittle.

Kansas City were comfortable 24-10 winners over Miami, while New England — last year's Super Bowl loser — was thrashed 35-6 by Jacksonville.

Quarterback Kyler Murray returned from concussion in a 23-16 Minnesota win at Tampa Bay, while Las Vegas beat New Orleans 35-27.

The Tennessee Titans remain 0-3, as quarterback Cam Ward threw a disastrous interception on a potentially winning drive against the New York Giants, who won 12-7.

GBEO Meeting: 08/25/2026

Agenda Item		Discussion/Decision	Responsible party	Reporting time frame	Status
		Dr. Kim inquired regarding the financial reports that had previously been promised for the Treasurer's Report and noted that he had not received any email. S. Manibusan clarified that the financial report had been prepared but was not available at the time of the meeting and that it would be distributed by email following the meeting. The Board discussed the expected frequency of financial reporting and confirmed that financial reports should be provided on a quarterly basis, including the report for the quarter ending in June and an additional report following the close of the fiscal year on September 30. S. Manibusan confirmed that she would email the third-quarter financial report that day and would provide the end-of-fiscal-year report before the subsequent Board meeting. She also indicated that she would consult with B. Sablan regarding the preparation of a financial report at the beginning of the new fiscal year in October. Dr. Kim expressed concern with the continued delay in receiving financial reports that had been requested and promised, noting that the issue had been raised repeatedly and had previously prevented Dr. Archer from presenting treasurer reports. Dr. San Nicolas noted that the reported balance at the end of 2025 was approximately \$2,200, with approximately \$1,700 available for 2026, and acknowledged that the funds were gradually increasing but remained insufficient to cover certain expenses, including travel to Argo; it was noted that Argo provides a travel stipend but does not cover per diem or hotel accommodations. S. Manibusan stated that she would make a point of tracking the financial reporting schedule to ensure that the reports are consistently provided to the Board.			
VII	HPLO REPORT	No report The Board discussed the continued lack of access to national board score reports and inquired about the status of obtaining access. S. Manibusan reported that access to the score reports had still not been obtained and that B. Sablan continues to follow-up on a weekly basis; however, the reports have been printed. Dr. San Nicolas clarified that the reports in question were National Board scores through the NBEO, which are required to verify examination results for candidates who have authorized the Board to review their scores. The Board noted that candidate permission is required to access individual score reports and that access is limited to authorized candidate records rather than all examination scores. Dr. San Nicolas explained although score reports are being sent to the	HPLO	0848	No Report

		C. Complaints:			
		GBEO-CO-2025-001 The Board discussed the status of a complaint that remained pending with the Office of the Attorney General. S. Manibusan confirmed that B. Sablan had sent follow-up emails to the AG’s Office on August 4 and August 14 but had not received a response regarding the complaint. The Board inquired about the recipient of the correspondence and was informed that the emails were directed to the Solicitors Division, which was confirmed to be the appropriate division for the inquiry. Dr. San Nicolas further clarified that the correspondence was sent to a general inbox rather than to a specific attorney, and that the limited staffing within the AG’s Office may be contributing to delays in receiving a response.
