III	Review and Approval of Minutes	Draft Minutes Dated: August 20, 2026 An amendment was made to Section 8, Item 1, under New Business regarding G. Valerio’s application for pharmacist by examination, noting that the application had been approved but remained pending successful completion of the MPJE and NAPLEX. It was further clarified that, on page 12, all pharmacists applying by endorsement are required to take the MPJE, and the letter “A” should be removed from the corresponding reference. Additionally, a correction was noted on page 9, specifying that the last name in the final paragraph should be spelled “CHIN.” <i>Motion to Approve as Amended: A. Mariano; 2nd: D. Item		Discussion	Responsible Party	Reporting Timeframe	Status
		suggested that a separate application category be established for non-pharmacy DME facilities to provide clearer guidance regarding the type of license required. The Board agreed that a separate category would be appropriate, particularly because certain DME items fall under prescription categories. It was further discussed that facilities selling DME requiring a prescription should be appropriately licensed, and a motion was made to license non-pharmacy facilities that sell durable medical equipment, particularly those that sell items within a prescription category. <i>Motion to Approve Adding this Category to the Application Form: A. Mariano; 2nd: D. Kwon.</i> M. Gabriel also discussed the Universal MPJE (UMPJE) and revisited the proposal previously discussed following the NABP meeting. A. Mariano requested clarification regarding whether the UMPJE would include Guam-specific law or would primarily provide a standardized jurisprudence examination that could facilitate license transfer among participating jurisdictions. M. Gabriel explained that the UMPJE would not contain Guam-specific content but could allow examination results to be transferred between jurisdictions participating in the program. The Board discussed the increasing participation of jurisdictions in the UMPJE and its potential to facilitate the transfer of pharmacist licenses. M. Gabriel also emphasized that future pharmacists seeking licensure in Guam would still need to be informed of and comply with Guam-specific laws and requirements, which could be addressed through licensure information or continuing education. The Board agreed to move forward with exploring participation in the UMPJE and indicated that further information would be obtained regarding the application and participation process, with the matter to be presented again at a subsequent meeting. <i>Motion to Approve the GBEP to Join the Universal MPJE Offered by the NABP: A. 		The Board discussed the renewal status and noted that the applicant had previously paid the \$60 renewal fee and \$40 late renewal fee on October 2 of the prior year but apparently did not receive the renewed license. It was agreed that the application records would be reviewed to determine whether the renewal application had been received and processed or whether only the payment had been submitted. M. Gabriel also indicated that clarification was needed regarding whether the applicant had continued practicing without an updated license. It was further noted that the applicant made another payment in August, another \$60 fee.

Walk

\$25 and \$100 to register, respectively.

Cruz said 50% of proceeds from the event will be donated to Autism Community Together, a local nonprofit organization.

There are 13 checkpoints along the way for participants to rest and get water.

Northern checkpoints:

- American Grocery in Yigo

- Co-Op store in Dededo
 - RYZE in Upper Tumon
 - Wise Owl in Tamuning
 - Cindy's Pub in Hagåtña
- Southern checkpoints:
- Tepungan Beah Park
 - Infusion Sumay
 - Hagat Mayor's Office
 - Nimitz Beach Park
 - Cetti Bay Overlook
 - Fort Nuestra Senora de la Soledad

Cruz added that there are some additional checkpoints set up by community partners, such as the Yigo Mayor's office volunteering to run four water stations along the route in Yigo.

"The way we're structuring it is somewhat subjective ... It very much depends on the person. I always tell the participants, whether it's 10 minutes or 10 miles, every step matters

to pushing to achieve our mission. Our mission is to make Guam a place where every mind belongs," Cruz said.

There will be a shuttle service for participants, including at least two 15-passenger vans, Cruz added.

Those beginning at Andersen will meet at Micronesian Mall and be shuttled to the front gate. The shuttle will also drive participants from whichever checkpoint they finish at back to wherever they parked.

"We encourage supporters to come by, cheer us on. If they want to donate, we'll be able to accept cash donations at these checkpoints as well," Cruz said.

Cruz included on the Off

the Spectrum Instagram the estimated time of arrival for each checkpoint and a difficulty level for each segment. He said this is meant to tailor the walk to "get everyone involved," from athletes to parents and manámko.

The Instagram page is likely where the walk will be live-streamed, Cruz added, but he may also create a Facebook account for Off the Spectrum to stream it there. Throughout the livestream, he said people will talk about important topics that "really resonate with the autism community" as they make their way down to Malessó.

Myers to equalize from 40 yards on his fifth field goal, setting up the final drama.

The Minnesota Vikings stayed undefeated with a 23-13 triumph at New Orleans.

Justin Jefferson snagged a superb touchdown catch under triple coverage and Aaron Jones ran for 113 yards and a touchdown for the Vikings.

Also undefeated are the Kansas City Chiefs (4-0), who are idle this week.

An epic overtime blunder by Washington resulted in a 27-27 tie with the New York Giants.

After recovering a Giants fumble deep in Washington territory, the Commanders made a final drive, but Jayden Daniels was stopped on a late run rather than throwing an incomple-

The Eagles looked to have won with their own go-ahead field goal and just eight seconds on the clock, before Cam Little's 57-yard attempt.

to halt the clock.

Washington, with no timeouts, could not prevent time from running out before setting up a field goal attempt.

"Leaving with a tie feels like a loss," said Commanders coach Dan Quinn, whose team led 27-13.

"We have to stop the clock," Daniels said. "Ultimately, it's on me."

Cam Little kicked a 57-yard field goal on the final play to give Jacksonville a 19-17 victory over Philadelphia in London.

Jake Elliott booted a 48-yard field goal with eight seconds remaining to lift Philadelphia ahead 17-16, but Ameer Abdullah raced 53 yards on the ensuing kickoff return and was tackled with one second

remaining to set up Little's kick.

"It was just a roller coaster," Jaguars quarterback Trevor Lawrence said. "It was pretty crazy."

The Green Bay Packers thumped arch-rivals Chicago 31-7 as Jordan Love completed 25-of-31 passes for 367 yards and two touchdowns and the Bears surrendered five turnovers.

New England routed visiting Las Vegas 45-17 as Drake Maye completed 26-of-34 passes for 374 yards and four touchdowns and ran for another score.

Aaron Rodgers threw for 235 yards and three touchdowns as host Pittsburgh beat Indianapolis 34-22.

Detroit's Jared Goff threw for 271 yards and three

touchdowns and ran for another while Jahmyr Gibbs ran for 151 yards and two touchdowns in Detroit's 45-21 romp at Arizona.

Braelon Allen ran for 116 yards and the winning fourth-quarter touchdown to power the New York Jets over Cleveland 17-12.

Bo Nix threw for one touchdown and J.K. Dobbins ran for another as visiting Denver beat the winless Los Angeles Chargers 23-17.

The Houston Texans, who landed receiver Marin Harrison in a trade with Arizona, snapped their winless streak with a 26-3 victory over Tennessee.

The hapless Titans sank to 0-5 as did the Miami Dolphins, who fell 31-24 to the Cincinnati Bengals.

Dolphins

hard for the rest of the season. We're going to turn up for sure."

While rain held off for most of the game, past storms turned the field into a swampy mire. The boggy sidelines had athletes sliding just as much in setting up plays as they were during active movement, making traction an immediate challenge for both squads.

The game got off to a sluggish, defensive start with neither offense able to build momentum in the sloppy conditions. Tiyan's young, relentless squad held firm early, frustrating the Dolphins and keeping the game scoreless through the opening quarter.

However, the tide turned in the second quarter thanks to the explosive play of team captain Esteves. Finding his footing in the trench warfare, Esteves put

on a clinic, breaking loose to rush for three separate touchdowns in the quarter alone to put Southern ahead. Despite struggling on extra points and conversions due to footing, the Dolphins went into the halftime break commanding an 18-0 lead.

In the second half, the Tuninos rotated players in, testing athletes out in the muddy conditions, though the shifts seemed only to lead to occasional slip-ups in execution. Southern managed to punch in one final touchdown and cap it off with a successful conversion to finish out the 26-0 shutout.

Despite making history with the win, the Dolphins left the field dissatisfied with their execution.

"We tried our best," said Esteves, who earned Player of the Game honors. "[T]ried to make use of the conditions, but we did our best and it was kind of sloppy ... we'll definitely improve over the next few games."

Reflecting on the mud-diness, Esteves saw the weather as a valuable lesson moving into the next weeks of games. "It helps us learn to adapt to the situation, and we're definitely going to go into this week — rain or shine — and get used to the conditions."

While reaching the top seed is an unprecedented feat for the Southside program, the Dolphins remain grounded. They recognize that the upcoming slate of opponents will bring a much higher level of intensity as top contenders aim to knock Southern off their newly claimed throne.

With the regular season soon ready to wind down and a historic top seed achieved, the Dolphins now turn their focus to tightening up their game plan as the league's hungriest competitors set their sights on the Southside.

The Dolphins will face the defending champion GW Geckos Friday night in a huge test.
