Håfa Adai Mr. Speaker,

Bill No. 326-38 (LS) authorizes the Barrigada Mayor's Office to partner with the Guam Football Association (GFA) to develop soccer fields and community recreational facilities on public land. Bill No. 336-38 (COR) provides similar authority to the Dededo Mayor's Office. These partnerships can expand opportunities for children to participate in sports while creating welcoming spaces for families to enjoy outdoor recreation.

During legislative consideration of these bills, senators emphasized the importance of ensuring reasonable public access, particularly for children who are not affiliated with GFA. I share that concern and encourage the mayors' offices and GFA to develop lease agreements and scheduling policies that balance organized soccer activities with fair opportunities for school teams and other children in the community to use these facilities.

Sports provide children with opportunities to build confidence, develop teamwork, and form friendships that extend beyond the playing field. These projects represent an investment in those opportunities and in the health and well-being of our island's families.

For these reasons, I sign Bill No. 326-38 (LS) and Bill No. 336-38 (COR) into law as ***Public Law No. 38-153 and Public Law No. 38-154, respectively.***

Senseramente,

LOURDES A. LEON GUERRERO
