September 28, 2026

ASR No.: 02

To: Director, Department of Administration

From: Personnel Services Administrator, Human Resources Division

Subject: Review of Above-Step Recruitment Request
RE: Mr. Jonathan G. Patton

Buenas yan Hafa Adai! This is in reference to the Department of CHamoru Affairs' Above-Step Recruitment request for Mr. Johnathan G. Patton for the Historic Preservation Specialist II position.

The Department of Administration, Human Resources Division is requesting to employ Mr. Patton as a full-time classified employee at Pay Grade LX, Step 05, at $52,523.00 per annum. The request is based on the following authority:

- *Title 4, Guam Code Annotated, Section 6205 relative to the ability of the Appointing Authority to petition the Department of Administration (DOA) for the recruitment at a higher step not to exceed step 10 because of recruitment difficulty or exceptional qualifications.*
- *Chapter 6, Rule 6.001 (a)(b), of the current Department of Administration' Personnel Rules and Regulations.*
- *CSC Resolution No. 95-02 relative to the above-step recruitment for initial employment.*

The minimum experience and training requirement for the Historic Preservation Specialist II position is:

A) Graduation from a recognized college or university with a Bachelor's degree in anthropology, or closely related field, plus on year experience as a Historic Preservation Specialist I; OR
B) Any equivalent combination of experience and training which provides the minimum knowledge, abilities and skills.

Upon review of Mr. Patton's application, he was evaluated utilizing the "B" clause, which requires forty-eight (48) months work/education experience as a Historic Preservation Specialist II or related experience to qualify for the position.

Work Experience

- Guam Cultural Repository, Archaeological Archival Specialist: 02/20/2024 to 09/30/2025, Credits – 19 months.
- Department of Interior, Museum Tech/Curator: 12/20/2022 to 09/11/2023, Credits – 9 months.

Education

- Master of Arts, Visual Arts Administration, New York University, 2015.

Mr. Patton was credited 76 months of work/education experience with a final earned rating of 72.33. Furthermore, he was one of two qualified applicants identified through the recruitment process for this hard-to-fill position, underscoring both the specialized nature of the role and the value of her qualifications.

Mr. Patton has over a decade of professional experience in the field of archaeology. He brings knowledge and expertise in the management and preservation of cultural collections. His proven ability to ensure that the Guam Cultural Repository meet and maintain federal compliance demonstrates his strong understanding of professional standards and regulatory requirements. He has also established valuable working relationships with the Joint Regional Marianas, the State Historic Preservation Office, and the Guam Preservation Trust. His experience, expertise, established professional partnerships, and his ability to adapt to new challenges make him a highly qualified candidate and a valuable asset to the Department of CHamoru Affairs.

Therefore, based on the information reviewed, HRD recommends that Mr. Patton be hired as a Historic Preservation Specialist II at pay grade LX, Step 05, or $52,523.00 per annum based on exceptional qualifications and recruitment difficulty.

Final approval and implementation of the above-step salary is contingent upon satisfying the legal requirements of 4GCA, sections 6205 and 6303.1(a), Transparency and Disclosure, which involves posting the "petition" for the Above Step Recruitment on the appropriate website(s) as well as notifying all major print and radio news media. Public Law 38-82, requires the department to post the "petition" on the Guam Public Notices Portal and transmit to the Speaker of I' Liheslaturan Guahan at least 10 days before the applicant is hired.

Should you require additional information, please contact the Human Resources Division, Recruitment Branch at 475-1128/1141. ***Dangkolo na Agradesimiento!***
