	Election of Board Officers	D. Chong noted that the Board typically conducts its annual election of officers in January of each year. However, B. Sablan reported due to the unexpected vacancy created by the former Chair's departure requires immediate action to designate a Chairperson to ensure continuity of Board operations. Acting Chair Cepeda (currently serving in her capacity as Vice Chair) called for nominations and sought clarification regarding the protocol for officer succession through the remainder of the calendar year. Board members discussed whether the Vice Chair automatically assumes the role of Chair or if a formal vote is required to elect a new Chairperson or affirm an Acting Chair. B. Sablan clarified that while the Vice Chair naturally steps into leadership during a vacancy, the Board has the option to: Elect a new permanent Chair and subsequently elect a new Vice Chair; or Agree to have the current		GBAHE	1213	Noted

IV	**Treasurer's Report**	R. Taitingfong reported on the final financial reconciliation for FY 2026 (ending September 30, 2026) and the initial appropriations for FY 2027. The Board was allotted $3,000 for travel, which remained unused with an ending balance of $3,000. Contractual services were fully expended from the allotted $10,000, leaving a zero balance. Out of the $450 allocated for supplies, $295 was spent, leaving a remaining balance of $155. The $250 allocation for equipment was unused and retained in full. For miscellaneous and stipend payments, $5,286 was expended from the $8,000 allocation, leaving an ending balance of $2,714. Revenue collections listed in the report remain subject to final confirmation by the Department of Administration (DOA). R. Taitingfong examined the second report detailing the FY 2027 appropriations, which totals $32,000 comprising $20,000 allocated for contractual services and $12,000 for miscellaneous expenses, with no funds appropriated for travel, supplies, or equipment. During the presentation, board members noted historical revenue trends—such as the $35,650 collected in FY 2024 and $34,634 in FY 2026—and raised questions regarding how excess generated revenues are utilized, specifically regarding funding for dedicated board investigators and legal counsel. B. Sablan clarified that annual board appropriations are established directly by the Guam Legislature rather than the department, and special fund revenues are managed comprehensively across all health professional licensing boards. Staff explained that board revenue totals alone do not cover full-time individual personnel salaries or shared central overhead, which includes $81,600 in annual facility rent, office operations, Xerox leases, postage, board stipends, national membership dues, and newsprint public notices. Furthermore, B. Sablan reported that the FY 2027 Budget Act officially authorizes the Department of Public Health and Social Services (DPHSS) to procure legal services and board investigators. HPLO has established a formal Board Investigator position, actively prepared the GG-1 recruitment packet, and initiated plans for a professional services contract for legal counsel, both of	R. V	**Administrator's Report**	B. Sablan presented five Standard Operating Procedures (SOP) for Board review and prospective formal adoption: HPLO-SOP-11: Protocol and Handling of Disciplinary Cases, HPLO-SOP-12: Complaint Investigation Process, HPLO-SOP-13: Complaints and Investigation Process, HPLO-SOP-13.1: Complaint Process Flowchart, and HPLO-SOP-24: Review of Clinical Hours. B. Sablan emphasized that these SOPs serve as internal administrative guidelines rather than statutory law. They are designed to establish clear protocols, maintain process continuity, ensure fair and thorough vetting prior to Board review, streamline clinical hour evaluations, and ensure complainants receive timely procedural updates. B. Sablan also noted that these living documents have evolved over time and are open to Board amendments, additions, or revisions. Board members reviewed the current 60-to-90-day investigative timeframe outlined in SOP-11 (Section 16). The Board highlighted that rigid end-to-end deadlines are difficult to maintain due to external delays beyond HPLO control, such as respondent license delays, scheduling interview conflicts, or complainant unavailability. J. Duenas suggested amending the SOPs to incorporate phased timelines. Under this proposal, completing a specific phase (e.g., initial intake and action) would reset or pause the 60-to-90-day clock while awaiting external responses, provided the delay is documented with a clear action plan. B. Sablan welcomed the suggestion, acknowledging that licensee non-responsiveness is a frequent roadblock and agreeing to draft updated language with modular stage-by-stage timelines. The Board expressed strong support for SOP-24, noting that establishing a clear policy for clinical hour evaluations will significantly streamline administrative reviews, reduce repetitive inquiry backlogs, and serve as a reliable reference tool for applicants and staff. Board members will complete their review of SOPs 11, 12, 13, 13.1, and 24 and submit feedback prior to the next meeting.	B. 		B. GBAHE-CO-24-03 SLP Received 08/06/24 N. Cepeda reported on the findings of the investigation. A facility administrator filed a complaint alleging that a licensed Speech-Language Pathologist (SLP) exceeded professional boundaries and misrepresented herself as acting on behalf of the Board when entering an office space at a hospital. N. Cepeda clarified that the licensee was attempting to assist an individual seeking clinical hours and was not authorized or instructed by the Board. It was established that the complainant is no longer practicing in Guam. Consequently, the Board no longer holds jurisdiction over the individual, rendering the matter moot. The investigator recommended closing the complaint with no disciplinary action or reprimand.	N. Cepeda		Closed

high school, however, she had to learn how to handle the pressure of competition and trust herself after making mistakes. "I used to let one bad play affect the next, but I learned that volleyball is a game of mistakes and what matters most is how you respond," she said.

That change in mindset helped Aromin work toward one of her biggest goals since freshman year, which was reaching the championship court. The Yigo resident spent hours practicing in the court, getting stronger at the gym, and finding ways to improve her game. By her junior year, Aromin had made noticeable changes in her game, improving her skills, volleyball IQ, and physicality on the court.

Academy head coach Manny Guarin has seen that growth firsthand, highlighting Aromin's competitiveness and drive to improve as qualities that set her apart.

"What sets Lea apart is her natural leadership, competitive fire, relentless desire to improve, and exceptional work ethic. She has that rare combination of a killer instinct on the court and genuine humility off it," Guarin said. "Despite all her individual accolades, she remains grounded, always putting her team first and never losing her hunger to get better."

Her progress has also shown in her accomplishments on the court, earning her recognition both locally and overseas.

Aromin's notable achievements include:

- 2024-2025 Volleyball Champion
- 2025 16U Liberation Champion
- 2025 UOG League MVP
- 2025 Second Best Outside Hitter, Smart Spike Challenge Cup in the Philippines
- 2026-2027 Volleyball Champion
- 2026 Volleyball Preseason MVP

With her high school volleyball career coming to a close, Aromin hopes to continue playing at the collegiate level. She knows the next step will bring tougher competition and higher expectations, but she is ready to keep learning and see how far the sport can take her.

Beyond the court, Aromin plans to study kinesiology and pursue a career in physical therapy. She says that as an athlete, she has seen how important recovery, injury prevention, and physical health are, and she hopes to help others regain their strength and return to the activities they love. She also enjoys going to the beach, attending Mass with her family, and spending time with friends when she isn't on the court playing or practicing. Her eye is on a potential college in the Pacific Northwest.

Through all her wins and losses, Aromin has also relied on her faith and the support of her parents, Stephanie and Ray. She gives thanks to God for providing strength during difficult moments and to her parents for believing in her and making sacrifices to help her reach her goals. "I wouldn't be the player or person I am today without Him and my parents by my side," she said.

The Academy program that Aromin once watched from the sidelines has become a place where she has made her own memories and grown as a player. As she looks toward the next level of competition, she carries with her the experiences and lessons that have shaped her time as a Cougar.

respective 11U divisions.

"I feel great, this is my second 1st place I've won this year! I feel a little nervous going to Chicago (World Championships), but this time I'm ready, I've been training really hard, and I know I will make it to finals this year," Espina said.

Surrat's brother, Athan, also earned gold in the 13U male division with Isabella Ohrvall winning the female division.

Local Ninja superstar, Malakai Graniel, who was a 2026 UNAA world championship finalist, took the 15U male division with 10 points. New Ninja competitor, Serena Taitano, earned the win in the female Masters division.

American Ninja Warrior athlete and "Guahan Ninja Warrior," Deren Perez, posted an impressive 11 points and won gold in the male Masters division.

Amateur division athletes Kristin Surratt and John Reyes took gold in the female and male Amateur divisions.

American Ninja Warrior athlete, Rai "King Rai" Flores, provided the performance of the night, earning 14 of 15 points for gold in the Intermediate division.
