**Re: Bill No. 146-38 (COR), "AN ACT TO ADD A NEW § 5117.3 TO CHAPTER 5, TITLE 5, GUAM CODE ANNOTATED RELATIVE TO GRANTING THE EXECUTIVE DIRECTOR OF THE MAYORS' COUNCIL OF GUAM PROCUREMENT AUTHORITY FOR PROCUREMENT GOODS AND SERVICES THAT DO NOT EXCEED A VALUE OF FIVE HUNDRED THOUSAND DOLLARS (\$500,000)."**

*Håfa Adai* Mr. Speaker,

I support Bill No. 146-38, and hope that it will become a model for delegating this authority to other large agencies within the Government of Guam in the future. This would enable the General Service Agency (GSA) to handle the purchasing for the smaller agencies that lack the capacity to conduct their own procurements and monitor the procurements of larger agencies. The model established by the GSA in monitoring the Mayor Council's procurement through the Department of Administration's Internal Audit Office could be applied to other agencies as well. The requirement for the training of the staff to be in place or the designation to revert to Chief Procurement Office is another safeguard detailed in the bill.

One concern is the delegation of procurement authority to the executive director of the Mayor's Council, as it is the only delegation allowed to an individual who does not have to file a financial disclosure form with the Guam Election Commission. 5 GCA § 5114 (b) prohibits the delegation of authority for procurement to any individual who is not required to disclose information to the Public Official Financial Disclosure Act. This requirement provides the public some fiscal transparency about the individuals authorized to spend millions of dollars of public funds.
