**Re: Bill No. 202-38 (COR), "AN ACT TO ADD A NEW CHAPTER 56 TO DIVISION 5 OF TITLE 17, GUAM CODE ANNOTATED, RELATIVE TO ESTABLISHING THE 'GUAM VETERANS HIGHER EDUCATION BENEFITS ACT'."**

*Håfa Adai* Mr. Speaker,

Lieutenant Governor Josh Tenorio and I fully support providing educational benefits to Guam veterans and their family members. We recognize the need for higher education in today's world to allow our people to compete for the best jobs. The more educated the members of our community are, the more prosperous our community becomes.

We also acknowledge the sacrifices made by both our veterans and their family members. The long separations caused by deployments are difficult for the service member and their families. This is why it is necessary for us as a community to show our appreciation for both the service members and their families.

However, I must express my extreme disappointment with the members of the legislature in passing Bill No. 202-38 without providing a funding source to cover the expense. This decision is an expression of the legislature's actual lack of concern for our veterans, as if they don't matter enough to allocate funds to pay for the benefits the members claim they want so badly to provide. It is easy to give benefits to individuals that other people have to bear the financial burden for. In this case the people who will now have to shoulder the financial burden are the other students at the University of Guam (UOG) and Guam Community College (GCC).

UOG Senior Vice President Sharleen Santos-Bamba testified that if the current number of veterans and dependents were to enroll using these benefits that the cost to UOG would be approximately **One Million Two Hundred Thousand** (\$1,200,000) dollars. She further testified that tuition waivers are not paid out of funds appropriated by the legislature but come from tuition revenue funds. UOG also provides financial aid to students who qualify. In Fiscal year 2026 the budget for that program was **Three Million Five Hundred Thousand** (\$3,500,000) dollars, which had

already been distributed to qualifying students. Students receiving aid currently account for 67% of the students enrolled at UOG.

The members of the legislature have decided that by requiring current and future students to pay for the veteran's benefits, they are absolved of admitting to the facts: giving citizens the benefits they deserve can't be done if you reduce taxes.

Despite the legislature's failure to fulfill its sole Organic Act duty, which is to appropriate funds to pay for services it mandates, I am still signing this bill because our veterans still deserve these benefits for their invaluable service to our community.

For these reasons, I sign Bill No. 202-38 (COR) into law as ***Public Law No. 38-99***.

**AN ACT TO *ADD* A NEW CHAPTER 56 TO DIVISION 5  
OF TITLE 17, GUAM CODE ANNOTATED, RELATIVE  
TO ESTABLISHING THE “GUAM VETERANS HIGHER  
EDUCATION BENEFITS ACT.”**

1           **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2           **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds  
3 that the people of Guam owe a profound debt of gratitude to the veterans who entered  
4 the U.S. Armed Forces from Guam, and to their spouses and dependents, for their  
5 distinguished service and immense sacrifice. While federal educational assistance  
6 programs provide valuable support, it is the finding of this body that the

1 establishment of a distinctly local benefits program is a moral imperative that  
2 demonstrates Guam’s unwavering commitment to honoring and supporting its  
3 veterans and their families.

4 *I Liheslaturan Guåhan* further finds that, with a significant veteran population  
5 residing on Guam, many of whom, along with their families, encounter substantial  
6 financial obstacles to accessing higher education, it is in the public interest to remove  
7 such barriers. Providing these educational benefits is not merely an act of gratitude  
8 but a strategic investment in the intellectual capital and economic prosperity of our  
9 island. By enhancing access to higher education at the University of Guam and the  
10 Guam Community College, this Act will directly contribute to a more skilled and  
11 capable workforce, fostering economic growth and ensuring our veterans and their  
12 families can achieve their full potential.

13 Therefore, it is the express purpose of this Act to establish the “Guam  
14 Veterans Higher Education Benefits Act.” This legislation is designed to provide  
15 meaningful tuition assistance, modeled after effective programs such as the Texas  
16 Hazlewood Act, yet carefully tailored to the fiscal and institutional framework of  
17 Guam. It is the intent of this Legislature that the Act be implemented without  
18 requiring new appropriations, by leveraging existing institutional capacities for  
19 tuition waivers at the University of Guam and the Guam Community College.

20 **Section 2.** A new Chapter 56 is *added* to Division 5, Title 17, Guam Code
