*Håfa Adai* Mr. Speaker,

Bill No. 58-38 (COR) appropriates Five Million Seven Hundred Fifty Thousand Nine Hundred Eighty-Four Dollars (\$5,750,984) to the University of Guam (UOG) to fund necessary repairs, maintenance, capital improvement projects, and accreditation related priorities. In the previous fiscal year, UOG faced a budgetary shortfall, which created a need to request for additional funding. The spending plan UOG submitted in support of Bill 58 outlines the proposed use of these funds, which will ensure UOG can support its students, faculty, and staff through the end of the fiscal year, including dozens of employees conducting maintenance for university facilities and hundreds of employees supporting the University's accreditation efforts.

For these reasons, I sign Bill No. 58-38 into law as **Public Law No. 38-8**.
