**AN ACT TO *AMEND* SECTION 2(b) OF PUBLIC LAW 34-112, AS AMENDED, RELATIVE TO SUPPORTING THE GUAM CUSTOMS AND QUARANTINE AGENCY'S ONGOING EFFORTS TO DEVELOP THE CUSTOMS SATELLITE INSPECTION, HOLDING, AND SECURED STERILE FACILITY.**

1           **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2           **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds  
3 that Public Law 34-112, enacted on July 17, 2018, authorized the Guam Customs  
4 and Quarantine Agency (CQA) to utilize a portion of Parcel 1-3 in the Municipality  
5 of Piti for developing and constructing a Customs Satellite Inspection, Holding, and  
6 Secured Sterile Facility. Public Law 34-112 required the property to revert to the  
7 general jurisdiction of the Government of Guam if it remained undeveloped for three  
8 (3) years following enactment. Recognizing the challenges faced by CQA in  
9 developing the facility, the Guam Legislature in 2021 approved and the Governor of  
10 Guam subsequently adopted Bill 58-36 (COR) as Public Law 36-12, providing CQA

1 with an additional five (5) years to establish the Customs Satellite Inspection,  
2 Holding, and Secured Sterile Facility.

3 *I Liheslatura* further finds that based on information provided by CQA at the  
4 request of the Committee on Public Safety, Emergency Management, and Guam  
5 National Guard, a Container Inspection Facility (CIF) Working Group was  
6 established in 2024. The CIF Working Group is responsible for overseeing all facets  
7 of the project, including facility design, operational needs, equipment, and future  
8 growth of the agency, as well as exploring all reasonable financing options to fund  
9 facility construction and sustainability.

10 With the amended deadline of July 2026 quickly approaching for CQA to  
11 utilize Government of Guam property pursuant to Public Law 34-112, *I Liheslatura*  
12 finds it necessary to provide the agency and CIF Working Group with additional  
13 time to secure financing options and finalize facility layouts and cargo flow plans.

14 Accordingly, *I Liheslaturan Guåhan* supports CQA’s ongoing efforts to  
15 develop the Customs Satellite Inspection, Holding, and Secured Sterile Facility  
16 consistent with the provisions of Public Law 34-112, as amended. Through this Act,  
17 *I Liheslatura* recognize the importance of establishing such a facility to help the  
18 Government of Guam and Federal law enforcement entities protect families in our  
19 U.S. Territory against the illegal movement of weapons, drugs, and other  
20 contraband, and invasive species which continue to threaten Guam’s natural  
21 resources and those of the vitally important ecosystems in Micronesia.

22 **Section 2.** Section 2(b) of Public Law 34-112 is hereby further *amended* to  
23 read as follows:

24 “(b) If the property is not developed into a functioning Customs  
25 Satellite Inspection, Holding, and Secured Sterile Facility Area within ten (10)  
26 years from the date of enactment, July 17, 2018, administrative jurisdiction of

1 GCQA shall expire and the property shall revert to the general jurisdiction of  
2 the government of Guam.”

3 **Section 3. Effective Date.** This Act shall become effective upon enactment.
